## MONTGOMERY TOWNSHIP SEWER UTILITY

2261 Route 206, Belle Mead, NJ 08502

\$50.00 application fee per dwelling unit for initial inspection.

---

\$25.00 for each additional reinspection.

\$25.00 to reschedule NO-SHOW inspection or reinspection.

NO-SHOW shall mean:

- a) owner/agent who fails to meet inspector within (10) minutes of the appointed time.
- b) owner/agent who does not have a key to enter the premises for scheduled inspection or reinspection.

All inspections WILL be inspected ONLY by an inspector from the Montgomery Township Sewer Utility.

### Finished Basements:

---

Inspections are normally done visually. If your basement is finished, i.e. the piping is hidden, then you must expose the sump pump and sump and have at least one (1) gallon of water available to the inspector.

1. The inspector will add an environmentally safe dye to the water.
2. The inspector will pour the water/dye mixture into the sump so that the sump pump will pump.
3. The inspector will visually look for evidence of the dye at the sump pump discharge.
